FIFTEEN CENTS

## Fields wins in landslide vote!

As the Antioch News goes to press early Wednesday morning, with 80 percent of the voters casting their ballots nationwide, Ronald Reagan and George Bush are the two new top executives of the United States.

Alan Dixon will replace Adlai Stevenson in the United States Senate for Illinois, gaining an early win over Lt. Gov. Dave O'Neal.

Fred Foreman might replace Libertyville Democrat Dennis Ryan as Lake County's state's attorney, but at press time the race is too close to call with the traditional Republican townships in the western part of the county still to be counted.

Locally, Antioch's favorite son Jim Fields easily won the race for one of the open seats on the Lake County Board in District 4 with Donna Litwiler, Ingleside, taking the other.

Both are Republicans.

Sample precincts taken as deadline time arrived showed Antioch going 60 percent for Reagan, 60 percent for O'Neal in the senate race.

They favor incumbent Robert McClory for Congress by 80 percent and they voted overwhelmingly for Republicans Betty Lou Reed and Donald Deuster and Democrat Dan Pierce, to represent the 32nd District.

Republican Dawn Mardoian was their favorite by 70 percent for circuit court clerk and Frank Nustra is a 70 percent favorite for county recorder.

Robert (Mickey) Babcox also seemed to be a good bet to retain his job as Republican coroner.

## Board okays U. S. Cable, construction gets go-ahead

After months of discussion and negotiations, its all over but the laying of the cable, as the Antioch Village Board approved the revised ordinance granting construction rights and privileges to U.S. Cable of Lake County, enabling them to erect, maintain and operate a community antenna television system in the village of Antioch.

Mayor Michael Haley's signing of the ordinance was tantamount to the signing of the franchise agreement with U.S. Cable.

Trustee Mabel Weber, who spearheaded the cable tv project, said that they expect completion within a year, with construction set to start immediately.

U.S. Cable is the largest cable company whose ownership is comprised of county residents and is the first 52 channel turnkey system.

The village expects approximately 55 percent of Antioch's 1,400 homes to connect to

the system when it becomes available.

According to Weber connection will be available as the cable installation comes through individual areas.

She expects the cable company to have an advertising campaign informing residents how, when, and the cost of the hookup, as the project proceeds.

During negotiations, Ken Minerich, general manager of U. S. Cable stated that the village could make approximately \$5,000 annually from the cable franchise.

Besides new movies, local event broadcasts are at the top of the list of cable tv advantages.

With almost all the municipalities in Lake County jumping on the cable tv bandwagon, Lake Villa, Lidenhurst, Park City and Waukegan are among those to also go with U.S. Cable of Lake County.

## Goes to police to get arrested

If you want to get arrested the best place to start is at the police station.

At least that's how John Ford, 25, Antioch did it.

At 1:37 a.m., on Nov. 1, Ford made a grand entrance into the Antioch Police Station, seemingly intoxicated and shouting profanities and other unintelligible phrases.

When Officer Ron Roth couldn't understand him, Ford became violent and socked the policeman.

Roth and Officer Bert Metz subdued and arrested Ford who was charged with disorderly conduct, resisting arrest and assaulting an officer.

He was released on cash bond with a hearing date set in the Fox Lake branch of the Lake County Court, at 9 a.m., on Dec. 24.

## ACHS Freshmen Win Title

The Antioch Community High School (ACHS) freshmen gridders won the Northwestern Suburban Conference (NSC) title outright for the second year in a row. Last Friday the freshmen Sequoits won the conference title in the last game of the season with a 22-20 win over Warren.

The Sequoits freshmen football teams have been title contenders or title winners in NSC for the past three years. In three years Sequoit freshmen football teams have lost only one conference game. The loss was three years ago to a Warren team.

Going into the final game of the season Warren and ACHS had matching records for conference play. Both teams were 6-0 and had to win the last game of the season to win the NSC title.

To score points against Warren the Sequoits used the throwing arm of John Humphreys, the running of Craig Prather and even the "Statue of Liberty" play.

It was Warren that put points on the board first. In the first quarter the Warren Blue Devils punched in for a score after a long pass completion set them up 20 yards

away from their goal. However, Andy Lehn met the Blue Devil running back head on and stopped the two point conversion. The two points that might have tied the game if Lehn had not stopped the runner.

Antioch then started a sustained offensive drive that ended when Craig Prather took the ball from Humphreys on a statue of liberty play from 20 yards out for a touchdown.

The Sequoits got the lead when Lehn punched the ball in for the two point conversion. ACHS was then in the lead with the score 8-6 at the half.

Warren came back the second half with a sustained drive that was kept alive with a 43 yard run to score again. And this time the Blue Devils scored the two point conversion.

To keep in the game the Sequoits offense scored with a two yard sweep left and Prather again carrying the ball for the touchdown. Prather was the ball carrier for all of the Sequoit touchdowns. Lehn was again called to run the ball across for the two point conversion.

With the score 16-14 in Sequoits favor the Blue

Devils began their last scoring drive of the game to take the lead. The Blue Devils capitalized on a Sequoit fumble on the 50 yard line and marched the ball in for a score.

With four minutes left in the game the Sequoits used a razzle dazzle reverse play to score from six yards out to end the scoring at 22-20.

To win the NSC title there was some good play turned in by the offensive linemen who seldom receive much credit.

According to Mike Gordy, assistant football coach for the freshmen team, Tim Walsh, Tony Neimeic and Ed Schwind played well in the last game of the season.

When there was a need for good blocking, Neimeic at guard and Schwind at tackle teamed together to open up some holes that helped the running back carry the ball for ten yards or more on dive plays, said Gordy.

"It is a very cohesive team," said Gordy. "We (the coaches) just hoped that for the last game of the season they would play loose and have fun."

"They played a good heads up game and had fun, which is all you can ask," he said.

## Sequoits stop Blue Devils, win causes conference tie

Last Friday's game may have been the last of the Sequoit's season but the Antioch 11 went out with a bang as they served only tricks and gave no Halloween treats to the Warren Blue Devils, soundly defeating them 24-6.

The Sequoit win forced Warren into a tie with Round Lake for the conference lead.

The game went all Antioch's way after the Sequoits were forced to punt on Warren's 40 yard line but roughing of the kicker gave the ball back to Antioch at their own 43 yard line.

Early in the second quarter the Sequoits scored and after an illegal procedure call, the kicker, Gary Williams, was forced to do a repeat performance, after Antioch was called for illegal procedure but he came through and Antioch went ahead 7-0.

Warren's quarterback John Vlasak was sacked for an eight-yard loss and a fourth down attempt that failed ended the Blue Devils score tying threat.

Army Sergeant David E. Jenkins, son of Mr. and Mrs. John Paschel of Rural Route 3, Antioch, Ill., recently participated in reformation 80 and Crested Cap, North Atlantic Treaty Organization (NATO) training exercises.

A disputed field goal put the Sequoits ahead by 10 to zip at halftime. The dispute arising from a claim by Warren's coaches that Antioch had two number fours on the field but the officials finally allowed the field goal.

As the second half got underway, Antioch intercepted a Warren pass which, after two plays, led the Sequoits to a 16-0 lead.

But the Sequoit's luck ran out as another intercepted Warren pass was nullified by a pass interference call.

In the fourth quarter the Sequoits recovered a Blue Devil fumble on the 42 yard line and followed up with their final touchdown.

Warren's only touchdown came in the last quarter but the Blue Devil's two yard conversion attempt was broken up by the Sequoits and the final score 24-6 went up on the board.

Considering how long Outdoor wood lasts, even if you don't paint it, or stain it, it's relatively inexpensive. Use Outdoor wood for your next project. You can be sure it will have the appearance and shape-holding qualities you expect because Outdoor wood is a high grade of material.

Be sure to look for the Outdoor® wood mark on each piece of lumber. If it doesn't have the mark, it isn't genuine Outdoor brand wood.

## Along the way with ANNIE MAE

I hear that the Antioch High School students have gotten into the swing of voting things by holding an election last week. Ronald Reagan got 256 votes, Carter 96 and Anderson received 44 votes, with the other five presidential candidates only getting three votes altogether!

But the high school students didn't go Republican all the way because they gave Alan Dixon 182 votes to Dave O'Neal's 141 in the senatorial race.

The white tailed deer won the election for state animal barely beating the raccoon.

Belated happy birthday to Glenda Tomaschlik of Parks and Recreation who celebrated her birthday Tuesday.

Went to the village board meeting Monday and saw the beautiful new clocks donated to the village by former mayor, "Missouri" Cunningham.

One is hanging on the wall of the meeting room and the other is in Mayor Haley's office.

The mayor and the board were profuse in their thanks to Cunningham.

Remembering how nice the last open house, held by the State Bank of Antioch was when they moved into their new

building in May, 1973, was, I'm really excited about the one that they're planning to celebrate their remodeling and expansion.

Pres Reckers tells me that everyone is invited from 7 to 9 p.m., Tuesday, Nov. 18 and from 2 to 7 p.m., on Wednesday, Nov. 19.

I wouldn't miss those refreshments, gifts and fabulous door prizes for the world besides I want to see if Andy Bernhardt is has gotten out of his handcuffs yet.

The employees at the Savings and Loan also got into the Halloween spirit and you should have heard Laddie Korecek bragging about the fact that his dress uniform from St. John's Academy still fit.

But the cutest of all were the little ones at Camp Crayola, the Parks and Recreation's pre-school group.

You still can't beat the look on little kids faces as they examine the booty in their trick or treat bags.

FLOYD AND CLARE HORTON

## Couple who remember vets

by GLORIA DAVIS

With Veterans Day almost upon us, I thought you might like to hear the patriotic and community minded story of Clare and Floyd Horton who have been married for 57 years and have lived in Antioch 56 of those years.

Floyd, a disabled World War I veteran and Clare have, for 18 years, been putting flags on the graves of veterans in area cemeteries every Decoration Day.

They started doing this at the Hillside Cemetery 18 years ago and their project has grown until today they decorate the military graves in seven local resting places.

These cemeteries include Hillside, Mt.

Carmel, Grass Lake, Millburn, Hickory and Home Oaks and the one at the St. Benedictine Abbey.

They also send five flags to the Rosecrans Cemetery in Rosecrans.

This is done in cooperation with the Antioch American Legion Post 748 which Floyd has been a member of for 55 years and Clare is a member of the auxiliary.

Among the other patriotic efforts they have been involved in through the Legion was the drive to collect money to pay for subscriptions to the Antioch News to Antioch's servicemen during World War II.

Remember the Hortons the next time you hear someone say that no one cares about our veterans.

## When I think about it

### Did we leave our GIs behind?

by GLORIA DAVIS

Tuesday, Nov. 11 is Veteran's Day. The day set aside to honor all the veterans of all the wars that American soldiers have been involved in.

On that day there will be parades all over the United States in which members of the American Legion and Veterans of Foreign Wars posts will march, proud of the service they gave their country, marching also in memory of their comrades in arms who didn't live long enough to become veterans.

On Tuesday, Nov. 11, while all these patriotic parades are in progress, standing on the sidelines will be many embittered disabled veterans from wars ranging from World Two through the Viet Nam conflict, who feel that their country has forgotten them in not properly compensating them for the high price they paid in the service of their homeland, the high price of the loss of limbs and health.

There are WW2 vets who claim disabilities that showed up 20 to 30 years after 1945 and the war's end. Disabilities that they and their families are not being compensated for because of the difficulty in providing their service connection.

Recent headlines have brought to light the case of Agent Orange and its effects on Viet Nameese vets. Agent Orange was a defoliant used during the war in Viet Nam to clear the jungles and the effects of these chemicals on the soldiers on duty there are just lately being reported.

Thousands of Viet Nameese veterans are claiming symptoms or definite diseases that range from heart ailments, blood diseases to cancers, as a result of their contact with Agent Orange.

For the last year American headlines and heartlines have been filled with news of the Iranian hostages, and rightly so.

But what about the 389 American prisoners of war or missing in action cases from the Korean War that have never been clarified or accounted for by the Koreans.

Is it possible, that after all these years, there are still some of our soldiers in Asian slave labor camps?

What about the 2,800 American soldiers still unaccounted for by the Viet Nameese

government in Hanoi?

Were these Americans forsaken in order to normalize relations with Hanoi and possibly Peking?

In an article by retired Major General John K. Singlaub, in a recent issue of the American Legion Magazine, there are claims that the Viet Nameese may have as many as 400 bodies of American soldiers as well as two thousand or more prisoners, even though it is years after all prisoners are supposed to have been returned.

Singlaub delineates countless well documented reports, coming from high ranking communist defectors or returned prisoners, that tell of thousands of prisoners still being held in Southeast Asia as late as a year ago.

Singlaub's article titles "Let's Find Our Missing Men," tells of the half hearted government efforts to follow up on these reports, that have for all purposes been disregarded in favor of not making waves in our relations with Hanoi.

There is the 10 year old, Washington based, National League of Families of American Prisoners and Missing in Southeast Asia, which is made up of 1,000 families of American POWs and MIAs.

This group has vowed to continue to secure evidence to support the findings that their loved ones are still being held in Asia.

They vow to work in every forum for the fullest possible accounting of all those still missing.

The article claims that all we did was hand the communists a list of names and too quickly accept the fact that all prisoners or their bodies had been returned.

Singlaub calls for the specific follow up on every individual missing soldier, using all available reports, demanding a complete account of each soldier from last date and place that they were reported to have been alive.

## Blood shortage at PM&L

Have you checked your blood supply lately? This question is prompted by "Dracula," the spine-chilling thriller which will open Saturday night, Nov. 15, at the PM&L Theater, 877 Main St. in Antioch.

Following evening performances are set for Friday and Saturday nights, Nov. 21, 22, 23, and 29; and there will also be a matinee on Sunday, Nov. 23. Curtain time is 8:30 p.m. for the evening presentations and 2:30 p.m. for the Sunday matinee.

THE AFTERNOON performance is especially noteworthy for two reasons. For one thing, "Dracula" is about vampires, which are safest in the daytime, when they usually sleep in coffins.

Secondly, PM&L is experimenting this year with Sunday matinees in an attempt to meet the needs of the many theater-goers who do not find it convenient or possible to come to Friday or Saturday night shows.

Your response to this innovation will guide PM&L's programming in the future.

ADAPTED BY H. Deane and J. L. Bladerston from Bram Stoker's novel, "Dracula" is the story of the most notorious of all vampires.

These are creatures which must drink

human blood in order to survive.

They have fascinated people for generations, and a Vampire Research Center has recently been established.

"I have drunk human blood under laboratory conditions," Dr. Stephen Kaplan, head of that center, said.

"I have also slept in coffins. But this was all a part of my research."

BILL SERSHON directs the PM&L production of "Dracula." His outstanding cast includes Larry Bullman, from Ingleside, as Count Dracula; Dawn Ferry, Gurnee, as Lucy; Lou Jones, Round Lake, as Dr. Van Helsing; Jim Bishop and Bruce Stamm from Round Lake Beach; Rosaline Trusky, from Winthrop Harbor; and Keith Boehm and Bob McKee from Antioch.

Most of these players have been seen in earlier PM&L productions.

Service at 395-3055, the telephone number for PM&L reservations, has been strengthened and put on a regular basis.

You should call this number to reserve your seats, and remember to be at the PM&L Theater no later than 8:15 p.m. on the night, or 2:15 p.m. on the afternoon that you plan to see the play.

## BSA to hold jamboree

Boy Scouts of Lake County have the opportunity of experiencing "Scouting" at its best this forthcoming summer by joining the National Jamboree Group.

A group of 72 boys and leaders from the Northeast Illinois Council, B.S.A. will explore Civil War sights enroute to their encampment at Fort A.P. Hill in Virginia and will visit colonial sites as well as experience a "walking" tour of Washington, D.C. on the way home.

The National Jamboree is held approximately every four years and is considered a "once in a lifetime" experience which a boy shares with other Scouts from across the entire United States.

This year's Jamboree is dedicated to the theme "Scouting's Reunion with History," and will be held from July 25 to August 5.

Any Scout interested in attending must be second Class and 12 years (but not older than 18 years) of age by July 1, 1981.

Questions concerning the Jamboree will be answered or applications may be requested by calling Don Coulson of Libertyville at 362-1136 between 7 — 10 p.m.
